TAKE A CHANCE TO PURIFY YOUR BODY AND SOUL

Indians are known for their traditions as well as hosting of guests based on "Atithi Devo Bhava". This throws light on a number of stories where the guest is given importance equal to that of a God. In Madhubhan our guests are receiving both hospitality with purification of their body and soul by Prakratik Chikitsa and Meditation. Hospitality refers to the relationship between a guest and a host, wherein the host receives the guest with goodwill by the virtue of a great soul that cares for the whole universe through the ties of humanity. We at Rejou- The Healing Spa & Naturopathy, also provide naturopathy with hospitality in the lap of nature and luxury.
