

Enchanted Winters @ Madhubhan

serving excellence
and counting...

Winter is Gujarat's favourite season. The days are mellow, and evenings misty. It is the best season that people of this region experience and the sun starts to set southward with a pleasant slide in temperature.

Sprawled in over twenty-five acres of lush, Madhubhan Resort and Spa is a beautifully carved destination to enjoy the 'cold weather'. Winters also bring along its charm, and Madhubhan literally turns into a picturesque expansive bed of flowers and manicured lawns. As winter begins to cool the atmosphere, Madhubhan's green foliage appears even more tranquil soaked in the mist. This scenic luxury resort that embodies the hallmarks of an entire destination turns even more appealing during the tranquil winters.

With a range of cozy and traditionally modelled cottages and exclusive suites to choose from, winters are more promising at Madhubhan. As the colder season brings

along the season of holidays, hotels begin to buzz with tourists. Madhubhan is a unique choice for a snug winter holiday with special promotional weekend and weekday packages for families, friends and corporates alike.

You can join the rejuvenating Yoga practice in the mornings or simply walk on the pathways, run on the extensive lawns or catch up with tennis lesson at our own Tennis Academy. Basking by the infinity pool or the meandering 100 meters pool is a relaxing experience and can be a fun time to bond with the loved ones. It's the most ideal time for short vacations with families and creating bonds. Set amidst serene surroundings, 'Rejou' - The Healing Naturopathy Spa offers top-notch services ranging from ancient Naturopathy packages to exotic spa rituals administered by experienced hands.

So, this winter, experience the soulful enchantment that Madhubhan encompasses, and soak in the 'joys of winter'.
